|--|

| | |
|----------------------------|----------------------|
| JOB TITLE | Maintenance Person 2 |
| CLASSIFICATION | |
| DEPARTMENT | Maintenance |
| LOCATION | |
| REPORTS TO | Principal |
| STAFF SUPERVISED | n/a |
| PROBATIONARY PERIOD | Three Months |
| EFFECTIVE DATE | |

POSITION SUMMARY

This position requires the performance of general building maintenance. The Maintenance Person 2 performs semi-skilled work of more than ordinary difficulty, usually involving acquired skills. Practical knowledge and/or experience in at least one specific trade is required. This position differs from a labourer in the complexity of skills involved and in the degree of specific knowledge and/or experience required. The incumbent provides guidance/direction for the day to day work of the maintenance and custodial staff. This includes utilizing planning skills, general repairs to school buildings, staff housing and other maintenance work at the school or on the grounds. Specific knowledge on the operation and service requirements of the heating and utility systems at the location may be required.
