

LUNCH PERIODS – SCHOOL SUPPORT STAFF

Policy E.1.N

In accordance with *The Employment Standards Code*, an employee shall not work for more than five (5) consecutive hours without a break.

During student lunch periods, support staff may have duties and responsibilities, including student supervision. If support staff are assigned lunch duty during the lunch break, they will have an unpaid meal break of at least thirty (30) minutes for every five hours worked in accordance with *The Employment Standards Code*.

School administrators are responsible for establishing lunch periods and supervision schedules. Schedules shall meet the needs of their particular school, as well as conform with legislation.
