

Frontier School Division shall provide all students with access to high school programming to the completion of Grade 12. If the Division is unable to provide this programming in a local school, then a variety of delivery options are available to assist students to graduate.

High school program delivery options could include any of the following, or a combination of more than one of the following:

- a. a local school with Grade 12 programming,
- b. any Frontier School Division high school with Grade 12 programming,
- c. other provincial high schools (Frontier School Division students who are living on provincial land attend these schools through the Home Placement Program. Treaty and non-treaty students living on reserve must access the local education authority's Private Home Placement (PHP) program),
- d. distance education (Independent Study Option, WebCT),
- e. home schooling (inform parents as an option).
