

Diamond Tennis Necklace

This necklace is crafted in gleaming sterling silver and features round-cut, pave-set diamonds in a tennis pattern for an elegant look. Polished to a brilliant shine, this necklace measures 17" in length.

Serta Queen Mattress in a Box

This 7" Serta Spectrum mattress provides a comfortable and convenient way to get a great night's sleep. Now you can take home comfort in a box featuring SertaPure® Foam Core for deep down FIRM support along with our CoolTwist™ Gel Memory Foam to relieve pressure points.

Portable Fire Pit & Stand

The Yukon wood burning fire pit allows you to start a fire quickly while the double wall design creates a burst of hot air over the fire reducing the smoke without the use of batteries and fans.

Size: 27" x 27" x 16"

Sony Wireless Speaker

With a mid-range speaker for vocal clarity, front and rear tweeters for multi-directional sound, and X-Balanced speaker units for deep, punchy MEGA BASS™, enjoy all different genres of music. Keep the party going with up to 25 hours of battery life on a single charge.

Makita Air Compressor & Brad Nailer Kit

It includes a 2 hp compressor, an 18-gauge brad nailing gun, a 25' hose and 2 air fittings. The compressor's high output cast iron pump operates at a lower RPM delivering maximum performance and reduced noise (80 dB). Holding up to 100 18-gauge brad nails, the gun is easy to load and quick to clear jammed nails.

Stackable Cast Iron Cocotte Set

Set includes cocotte, braiser, grill pan & universal lid. Sloped sides allow for snug nesting for storage. Smooth enamel bottom works on all stovetops, including induction. Heavy weight, tight-fitting lid retains moisture. Textured black matte enamel interior requires no seasoning. Oven safe up to 500°F.

KitchenAid 10 Piece Cookware Set

Crafted from 5-layers of heat conductive metal throughout, these heavy-gauge pots and pans are built to fuel endless possibilities in the kitchen while providing superior heat retention. Dishwasher safe, and broiler and oven safe to 500°F

Broil King Barbecue

Featuring 350 sq. in. primary cooking surface and includes a durable cast aluminum oven, 3 stainless steel Dual-Tube burners with 30,000 BTU main burner output, stainless steel Flav-R-Wave cooking system, and electronic ignition.
